## **Husband & Wife Tomato Growing Competition**

### **Worm-Tea vs. GOLD'n GRO 639 + 4%S**

A husband-and-wife team wanted to grow their own tomato plants but had different ideas about how to go about it. One wanted to use an ancient worm-tea recipe, while the other wanted to use GOLD'n GRO 639+4% Sulfur Liquid Fertilizer, a multi-nutrient plant food specially formulated for sensitive plants, and one of the most advanced formulations of micronutrients ever conceived of.
